Notes:

See catalog for element table descriptions

Broadcast elements are those which are used in line-sections larger than 7/8" or those that are used in line sections 1 5/8" thru 6 1/8".

A Certificate of Calibration is provided at no charge with each calibration.

*Test Data or Accredited Calibration are an additional Charge per item.

*Uncertainties of each measurement for the device under test are provided at an additional charge.

Uncertainties of the measurement standard are provided on Calibration Certificate at no charge

**Obsolete Model. Some parts may not be available for repair if needed.

Bird Power Meters

Flat Rate Pricing valid as of 3/1/2020

Model	Description	Calibration	Repair & Calibration	*Test Data	*Accredited Calibration with Test Data	*Accredited Calibration with Uncertainty per measurement
4421 New	Multifunction Power Meter with 9 digit barcode serial number	\$116	\$1,037	\$92	N/A	N/A
4421 Old	Multifunction Power Meter	\$116	N/A	\$92	N/A	N/A

Notes:

A Certificate of Calibration is provided at no charge with each calibration.

*Test Data or Accredited Calibration are an additional Charge per item.

*Uncertainties of each measurement for the device under test are provided at an additional charge.

Uncertainties of the measurement standard are provided on Calibration Certificate at no charge

**Obsolete Model. Some parts may not be available for repair if needed.

N/A= Not Available

Bird Termaline Wattmeters						
Flat Rate Pricing valid as of 3/1/2020						
Model	Description	Calibration	Repair & Calibration	*Calibration Data	*Accredited Calibration with Data	*Accredited Calibration with Uncertainty per measurement
611**	Termaline Wattmeter	\$348	N/A	\$92	\$183	\$366
612**	Termaline Wattmeter	\$348	N/A	\$92	\$183	\$366
